I would take this opportunity to thank everyone for their understanding and sympathy at the death of my father which understandably has disrupted the production of my auction catalogues while I was caring for him.

Auction 121 has the usual eclectic range of material from many different countries with some better Commonwealth stamps and the usual good range of France and French Colonies material.

The next auction number 122 will close 10 January 2025 to allow for the usual postal disruption that occurs during the Christmas period to clear.

Scans or colour photocopies of lots are available on request. Illustrations of some lots will be available on my website www.demontfortstamps.co.uk where the catalogue can also be downloaded or viewed and bids placed.
